SKYE BASIN TAPS WITH STANDARD SPOUT

Important

- Please inspect this product immediately on delivery to ensure that it has not been damaged in transit and is complete. Any claim for damage or shortage will not be entertained unless received within 3 days.
 To ensure this product is installed properly, you must read and follow these guidelines.
 Please read the whole of these instructions before starting installation.

- Be sure your installation conforms to local regulations. We recommend that this product is installed by a professional contractor.

- Please refer to the specification and assembly drawings attached. Before installation, please inspect this product to ensure that it is the correct model and you have all the parts required for proper installation. Take all the necessary precautions to ensure that the fittings and other parts are properly protected during installation. Polished and plated surfaces are particularly prone to damage from dirty and incorrect tools
